RECEIPT OF LETTER OF DEMAND

The Board of Directors (the "**Board**") of Aztech Global Ltd. (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to inform shareholders of the Company ("**Shareholders**") that one of its subsidiaries has received a letter of demand from the solicitor acting for a customer of the Group ("**Letter**") in connection with certain development, industrialisation and manufacturing services provided to a customer.

The customer has claimed loss and damage against the Subsidiary for, *inter alia,* breach of contract and misrepresentation in the amount of approximately USD19.4 million. The Letter demands that the Subsidiary confirm, no later than 3 November 2026, that it will make payment of the claimed amount.

The customer has also claimed that two (2) representatives of the Subsidiary, who have been key decision makers for the Subsidiary and centrally involved in the Subsidiary's provision of services, are personally liable to the customer on various grounds including, but not limited to misrepresentation, inducing breach of contract and conspiracy.

The Group rejects the claims in their entirety and denies any liability to the customer. The Group considers the claims to be without merit and will vigorously defend them to safeguard its reputation and that of its representatives. The Group also intends to pursue its own claims against the customer and is seeking legal advice accordingly.

The Company will make further announcements as and when there are material developments.

In the meantime, shareholders and potential investors are advised to refrain from taking any action in respect of their shares in the Company ("Shares") which may be prejudicial to their interests. In the event they wish to deal in the Shares, they should consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the actions they should take.
